Great, thanks Kate. Melissa, this reminds me we need to add a call-in for the meeting tomorrow, or have a # for Kate.

Subject: revised wetland website - adding Redwood City Salt Plant Clean Water Act Jurisdictional Review webpage

Jason/Laurie/Nancy –

We are planning to create a sub webpage off of the current R9 Wetlands page for ‘**Redwood City Salt Plant Clean Water Act Jurisdictional Review**’. This will allow OPA to direct the public/media to our desk statement and the March 18th letter. I am attaching a 3 slide powerpoint to show you what I propose.

The 3 slides are:

Slide 1 – current status of webpage (<http://www.epa.gov/region9/water/wetlands/index.html>)
Slide 2 – revisions to current page – adding a box on right side between National Links and Featured Content
Slide 3 – New webpage to host: Redwood City Salt Plant Clean Water Act Jurisdictional Review (desk statement and March 18th letter at this time).

Please let me know if you are ok with this approach. If you sign off, will push it Jane for final review and then request web update. We can add other key items to the page as we see fit.

Thanks. Kate
